

# THE COMPLETE *Wedding* STATIONERY CHECKLIST & TIMELINE

Our Wedding Stationery Checklist & Timeline Guide is designed to take the guesswork out of planning. Think of it as your creative companion: a clear, curated timeline that ensures nothing is missed, from save the dates right through to your on-the-day details. It's practical, but with the same refined, design-led approach you can expect from everything we create.

# WEDDING STATIONERY TIMELINE

Avoid unnecessary stress and make a note of these key timelines.

## **12 MONTHS BEFORE**

The venue is booked, so it's time to shout it from the rooftop! Get that date in your guests' calendars nice and early with a beautifully designed Save the Date.

## **6-9 MONTHS BEFORE**

Time to ramp things up and send out that all-important invitation suite. This is your chance to set the tone for your big day and share all the key details with your guests.

## **3-4 MONTHS BEFORE**

Continue your stationery journey with beautifully considered on-the-day pieces that bring every detail together, creating a seamless and cohesive design from beginning to end.
